

Join digitalLIFT for SF Tech Week 2026!

Wednesday, May 13

Accessible Social Media: An Inclusive Approach

TIME: 5pm-6pm

PRESENTED BY: Campaign Disability in collaboration with **digitalLIFT**

LOCATION: Virtual on Zoom

Join us for a fun and practical webinar where you'll learn the building blocks of every engaging social media post. We will focus on language that makes your content accessible, clearer, and more compelling. You'll also discover how to choose colors that pop, ensuring your graphics reach the widest possible audience. Our hands-on approach will leave you with a simple, repeatable checklist to enhance every post you create. No prior technical knowledge is necessary—just bring your creativity and enthusiasm!

PRE-REGISTER

Introducción a la IA Generativa

HORA: 5-6:30pm

LUGAR: Computer Training Center, 5th floor, SF Main Library

Este taller introduce a los participantes en las herramientas de IA generativa, centrándose en ChatGPT. Abarca conceptos clave, usos prácticos y consideraciones éticas. Los participantes experimentarán con la IA generativa a través de actividades prácticas guiadas.
